Docket No. 98N-1265  
5449 Food and Drug Administration  
5600 Fishers Lane  
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I strongly object to the proposal to restrict the number of ~~prescriptions~~ prescriptions that can be shipped out of state. This has a potentially quality-of-life-threatening affect on me and thousands of others who cannot obtain the services we need from our local pharmacies nor from commercial pharmaceutical manufacturers.  
Please do not go through with this!
